

CORPORATE LEARNING & DEVELOPMENT

Build More Capable People

Knowledge matters. Being able to apply it matters more.

Mildot Group develops people who can assess situations, make sound decisions and act effectively when it matters.

Capability That Transfers to the Workplace

Capability comes from understanding a problem, exercising judgement and applying knowledge in the real world.

Mildot Group programmes develop practical knowledge and decision making capability people can take directly back into their roles.

DEVELOP THE RIGHT CAPABILITY

Protective Security & Counter Terrorism

Assess exposure, prioritise vulnerabilities and choose proportionate action.

Behavioural Risk

Recognise change and decide what deserves attention.

Crisis Management

Coordinate people and turn plans into action under pressure.

Performance Management (Mission Command)

Delegate, adapt and keep work moving.

Travel Safety & Security

Prepare travellers to make sound decisions away from familiar environments.

Make Better Protective Security Decisions

PRIVATE SECTOR COUNTER TERRORISM PRACTITIONER

Move beyond awareness. Develop the judgement to assess terrorism exposure, identify vulnerabilities and turn assessment into proportionate protective security measures.

AFTER THE PROGRAMME

- **ASSESS** terrorism exposure and protective security requirements.
- **PRIORITISE** vulnerabilities, risk and proportionate action.
- **ADVISE** decision makers with greater confidence and authority.

30 CPD CREDITS | ONLINE | SELF PACED | ACCREDITED FOR CPD

FOR Security managers, consultants and people with protective security responsibilities.

Notice More. Recognise Change Earlier.

SITUATIONAL AWARENESS & BEHAVIOURAL OBSERVATION

Brain Game uses cognitive learning and practical drills to build a structured way of observing people and places. Learners identify what has changed, judge whether it matters and act earlier when needed.

AFTER THE PROGRAMME

- **ESTABLISH** what is normal in an environment.
- **RECOGNISE** anomalies and behavioural change.
- **DECIDE** what needs greater attention and what action to take.

9 CPD CREDITS | ONLINE | SELF PACED | ACCREDITED FOR CPD

FOR Security personnel, lone workers, customer facing teams and staff in public environments.

Turn Plans Into Coordinated Action

CRISIS MANAGEMENT FOR PROTECTIVE SECURITY PRACTITIONERS

A crisis is the wrong time to discover a plan only works on paper. Build the capability to make structured decisions and coordinate a response when information is incomplete and priorities compete.

AFTER THE PROGRAMME

- **DECIDE** with structure when pressure increases.
- **COORDINATE** people, resources and communications.
- **RESPOND** with internal teams, emergency services and external partners.

3 CPD CREDITS | ONLINE | SELF PACED | ACCREDITED FOR CPD

FOR Security managers, crisis teams, operational managers and business continuity personnel.

Put Decisions at the Right Level

MISSION COMMAND FOR THE PRIVATE SECTOR

When every decision travels upwards, work slows down. Mission Command helps managers set clear intent, delegate authority and enable sound decisions as circumstances change.

AFTER THE PROGRAMME

- **COMMUNICATE** the outcome required and the limits of authority.
- **DELEGATE** responsibility to the people best placed to act.
- **MAINTAIN** ownership and momentum without unnecessary escalation.

1.5 CPD CREDITS | ONLINE | SELF PACED | ACCREDITED FOR CPD

FOR Managers, supervisors, project leaders and operational teams.

Better Prepared Travellers Make Better Decisions

TRAVEL SAFETY & SECURITY

Every journey is a series of decisions. Give travellers a practical way to prepare, recognise developing problems and respond when circumstances change away from familiar environments.

AFTER THE PROGRAMME

- **PLAN** travel with risk and personal security in mind.
- **RECOGNISE** problems earlier in transport, accommodation and daily movement.
- **RESPOND** with practical options when plans change.

3 CPD CREDITS | ONLINE | SELF PACED | ACCREDITED FOR CPD

FOR Business travellers, international employees, contractors and travel risk managers.
